ALBA VIDAL MOSCARDÓ

I am a creative, thoughtful and innovative worker and I enjoy improving and streamlining processes using new technologies. These qualities are the ones that, once I started my business management career, allowed me to shift my career path towards Frontend Development.

During my working life, I have learnt that respect and listening to your colleagues allows you to grow and learn as well as motivating you to get better every day.

EMPLOYMENT HISTORY

Junior Front End Developer
CoCircular *February 2022 – April 2022*
Circular Waste Management service company where construction is the first action sector. I improved the 360º Advisor Software layout (for internal staff use, intermediary and final client) using semantic html, css3 and sass.
I also did development parts with React and frameworks like react-i18next, react-to-print or infinite-scroll.

Product Manager Assistant
Comercial Arqué S.A. *May 2017 – February 2020*
I was responsible for customer and suppliers services, along with technical support. I developed and kept track of the quotes and made sure these were signed. I also managed the project timetables, analysed our business competitors and target results and monitored customer loyalty.

Product Manager Assistant (Purchasing department)
FOSCO (Merkal Calzados) *August 2016 – May 2017*
Carry out purchase orders, drafting documents, entering data in our databases, data extraction and analysis, processing and shipping of packages, comparative tables of suppliers, monitoring purchases and dealing with suppliers. Monitoring of deadlines and document management.
In other areas, into contact with the latest trends, materials and industry trends. Design and / or modification of shoes model using Photoshop.

Assistant retail
Primark LONDON *December 2015 – June 2016*
Multitask, handle pressure, and work as part of a team and individually. I have worked in Women's Fashion department and occasionally collaborating with Visual merchandising team.

Co-founder
Neula Atelier *July 2011 – December 2015*
Co-founder and artisan of my own bookbinding brand Neula Atelier
Management: Business management, design and construction of the website, management sales.
Artisan and aesthetic work: Artisanal production of notebooks, photo albums, frames and custom orders.
Search materials and fabrics and prodúct design. Product photography and retouching.

Administrative
The Catalan Institute of Health (ICS) *July 2000 – June 2011*
Responsibilities included coordination of groups of up to 6 people, management and implementation of projects, operational Data, staff management and administrative decisions.
